

# refer 2... yours is free

## How do I get free **THRIVE**?

### Refer 2 and yours is Free

When you have 2 personal Customers enrolled in the Autoship Program, you are eligible to receive free product each and every month as long as they continue their Autoship. You will receive THRIVE credits equal to the average of your two highest personal Customer Autoship orders.

Only orders placed by your personally referred Customers are eligible. A maximum of \$520 in THRIVE Credits can be earned each calendar month.

## How do **THRIVE** credits work?

THRIVE credits are an easy and fun way to buy free THRIVE. Promoters and Customers can use their credits on orders, reorders and Autoships. You just pay for shipping and the balance of your order not covered with credits.

For instance, if you have 195 credits and your order is \$260... you would pay the remaining \$65 plus shipping. You can also gift your credits to your downline team of Promoters!

THRIVE credits can not be used to purchase upgrade / enrollment packages.

**EXAMPLE.** John and Stacie are both your Customers and are enrolled in the Autoship Program...John's order included \$130 worth of products and Stacie's included \$260 worth. As long as their Autoship Orders were both placed in the same calendar month, you will receive Credits equal to the average of their orders = \$195 THRIVE Credits. If you have more than two Customers with Autoship Orders, we will use the two largest orders placed within the current month to calculate your Credits.
