Our 3-step system known as PEEL - REDUCE - RESTORE is the first of its kind in skincare technology, CBD biohacking, and anti-aging advancement. Our propriety system uses clinically studied, premium grade ingredients and is powered by the many medicinal benefits CBD is known for. Even further anti-aging benefits were discovered while developing this system through over a year of internal CBD biohacking efforts. Our proprietary sourced CBD grade oil takes this system to even greater heights. THRIVE SKIN is a true masterpiece...

**INFINITE CBD ENZYME PEEL**

Enriched with CBD Oil

Le-Vel’s CBD Enzyme Peel is designed for all skin types. This unique proprietary formula contains enzymes that naturally digest (exfoliate/peel) dead skin cells without irritation and without causing uneven skin tone. After using as directed, your skin will immediately have more luminosity and a radiant glow, and will be ready to absorb Infinite CBD Correcting Serum and Infinite AM/PM CBD Moisturizing Elixir.
