BLACK LABEL DFT

Le-Vel's Derma Fusion Technology has soared to the top of the Health & Wellness Industry as the apex product in terms of health, wellness, fitness, nutritional support, and weight management. **BLACK LABEL** is an evolutionary step forward in Derma Fusion Technology, and it incorporates an entirely different formula than standard DFT and DFT Ultra. This unique formula not only takes Derma Fusion Technology to the next level, but it takes the entire THRIVE 8-Week Experience to a new level as well. Now, with the new absorption and bioavailability improvements of fusion 2.0, **BLACK LABEL** is taking another massive step forward. If you thought the results of original **BLACK LABEL** were impressive, you're going to love Black Label 2.0.

BLACK LABEL was created and formulated to provide Customers and Promoters combining **BLACK LABEL** with THRIVE Capsules and THRIVE Lifestyle Mix with superior results in terms of general health, wellness, fitness, weight management, mental acuity, nutritional support, and mood support.

Not suitable for individuals under 18 years of age. If you are pregnant or breastfeeding consult a doctor before using this product. If you are taking any medication, or have any type of medical issue, consult with a doctor before using this product. Discontinue use if skin irritation occurs.
